DAFFODILS
1944

EDWIN C. POWELL
ROCKVILLE, R. F. D. 4
MARYLAND

HERMITAGE GARDENS are located at Aspen, Md., 7 miles north of the Md.—D. C. line on the Brookville (Seventh Street) Pike, route 97 out of Washington; and from Baltimore through Ellicott City to Olney, then south on route 97 about 5½ miles.

Tel. Kensington 19-W-1.

The usual exhibit maintained during the flowering season will be discontinued because of wartime conditions, but visitors will be cordially welcomed to see the hundreds of named varieties and thousands of seedlings in bloom from late March to mid-May.

The Oriole bus line on Brookville Pike between the District Line at Georgia Avenue and Sandy Spring passes within a short distance of the gardens.

Figures in parentheses following name indicate the relative season of bloom, 1 being the earliest, and 6 latest. F. F. C., indicates First Class Certificate, the highest award given by the Royal Horticultural Society (and by others); A. M., Award of Merit.

Orders accepted subject to crop and previous sale. If any variety is sold out I will substitute a variety of similar character and value unless the purchaser instructs otherwise. It is suggested that second choices be included in the order. I cannot guarantee to fill orders received later than September 30, as after that date all unsold bulbs are replanted.

Terms, cash with order, or 25 per cent cash and balance C. O. D.

Prices are net and include cost of delivery in continental United States, except as indicated, but do not include any sales' tax that may be levied.
